Remarks

Amendments correcting typographical errors have been made to claims 15 and 18. Claim 20 has been canceled.

The USPTO printout for the Image File Wrapper erroneously omits the table of parts data in Specification Paragraph 0041. However, the table of parts data is present in the file "3022-trans.xml" as transmitted during the efilg. No new matter has been added.

Respectfully submitted,

Andrew Babcock, Esq.
Attorney for Applicant
